

Louisiana Carry Membership Application

Defending our rights- right here at home.

With numbers comes a certain respect. Louisiana Carry's administration is expending all of it's personal resources- both time and money- to fight for our rights. For *your* rights. We love the NRA, GOA and others, but we cannot expect others to fight Louisiana's battles for us. They have their hands full with federal issues. They step in when they can (like after New Orleans), but we are the ones who are here every day. To our knowledge, Louisiana Carry is the only organization with a mission of our scope. We are determined and focused. Please consider becoming a member. Soon, when you find yourself being able to carry a weapon more places to defend yourself and your family, or when you find yourself being able to present your Concealed Handgun Permit instead of having to go through a background check to buy a firearm- you will know you were a part of that. If we do not step up to the plate- each of us- things will inevitably get worse. "Just because you do not take an interest in politics doesn't mean politics won't take an interest in you." – Pericles (430 BC)

Dues are \$15.00, payable annually. Please make checks payable to Louisiana Carry. Prefer to join by phone? Call **(877) LA-CARRY** to speak with someone, 9 AM to 9 PM Please take this time to consider making an additional donation. We understand that not everyone can do this, and we do not want you to feel bad if you can't donate at this time. If you are able to, however, it is an easy way to put some force behind your desire to defend our rights.
